WORK EXPERIENCE

Cybersecurity Intern| IBM

June 2023 to July 2023 (2 months)

This internship provide me an introduction to cybersecurity. From the offense perspective, I will learn about cyber attackers, their tactics, social engineering, and high profile case studies.From the defense perspective, you will learn about common approaches organizations take to prevent, detect, and respond to cyber attacks.

Python with Data Structures and Algorithms Intern | YIB Foundation

July 2023 to September 2022 (3 months)

In this internship I work extensively with Python, focusing on data structures and algorithms. This internship provided me with valuable hands-on experience and deepened my understanding of Python programming concepts and their application in data analytics and data science.

EDUCATION HISTORY

Gautam Buddhha University

B.Tech M.Tech Integrated in Computer Science and Engineering

2020-2025
Computer Science and Engineering with Specialization in Data Science

CBSE

CLASS XII | RKI Ghaziabad, Uttar Pradesh 201002

2020
Science with Mathematics (PCM)

SKILLS & SPECIALIZATION

- Cybersecurity
- Python with DSA
- Data Analytics Data Fundamentals
- Data Science
- Web Developement
- Microsoft Office
- Information Technology
- Networking
- Research and data collection
- Data assessment
- Great communication skills
